

Dear Parents,

We would like to welcome you to CAGE Gymnastics. Your child is now part of a special program that promotes motor skills, coordination, and self-confidence through basic and advanced gymnastics skills. Our goal for your child is to reach her/his potential whether it is recreational or competitive. We are constantly working to research and improve our program so we can meet your children's needs.

We do ask that you know and follow a few basic FACILITY rules:
